

Mrs Sharon Dhaliwal

My name is Sharon Dhaliwal and I am a mum of three children all of whom are currently at Cranford Primary School.

I am a Parent Governor at the school and am proud to act as a link between parents, my community and the school.

I completed a degree in Criminology & Psychology and then went on to do my Masters in Criminology & Criminal Justice. I currently work for HMRC as a Disclosure Officer liaising between HMRC officers and the Crown Prosecution Service.

I am very passionate about the education system and helping to ensure our children leave school with all the life skills they require to be happy, kind and successful in their future lives.
